

Volunteers Needed for One Day Homeless Count!

County of San Mateo

When: January 22, 2015 6-10am

Why: The results from the census will provide us with a better understanding of both the number of homeless individuals and families and their needs. Collecting good data on the number, characteristics, and service needs of homeless individuals, families, and children is a critical component of local homeless planning and program development.

VOLUNTEER TODAY! Individuals and groups can have a critical role in the census by volunteering as street enumerators. Signing up is easy! Register at <https://homelesscensus.eventbrite.com>.

LET'S MAKE EVERYONE COUNT!
